I. Indication of Allowable Subject Matter

Applicants' representative respectfully thanks the Examiner for her allowance of claims 1-13, as well as her distinguishing discussion of the claimed subject matter of the currently rejected claims, specifically, claims 14-26.

Pursuant to the statement of allowable subject matter, and two telephone conversations had on November 17, 2008, and February 3, 2009, Applicants respectfully believe that the above-indicated amendment to independent claim 14 clearly places the claimed subject matter within the necessary statutory subject matter convention.
